<sup>8</sup> Order No. 4275, Notice and Order Concerning Changes in Rates for Inbound Parcel Post (at UPU Rates), December 13, 2017.

The Postal Service states that prices were established by the terms of Governors' Decision No. 14-04, issued June 18, 2014. Notice at 2. The Postal Service asserts that Inbound Parcel Post (at UPU rates) should generate sufficient revenue to cover costs and satisfy the requirements of 39 U.S.C. § 3633(a)(2).<sup>9</sup>

#### IV. COMMENTS

The Public Representative filed comments on December 21, 2017.<sup>10</sup> No other comments were received. Based on her review, including the financial model, the Public Representative concludes that the prices for the Inbound Parcel Post (at UPU rates) product satisfy the requirements of 39 U.S.C. § 3633(a). PR Comments at 2.

#### V. COMMISSION ANALYSIS

The Commission reviews price changes for competitive products in terms of the criteria in 39 U.S.C. § 3633(a). These criteria prohibit the subsidization of competitive products by market dominant products (§ 3633(a)(1)); require each competitive product to cover its attributable costs (§ 3633(a)(2)); and require competitive products as a whole to cover an appropriate share of institutional costs (§ 3633(a)(3)).

The Commission has reviewed the Notice, supporting documentation, and the Public Representative's comments. The Commission finds that the prices presented in the Notice should not lead to the subsidization of competitive products by market dominant products; should cover attributable costs; and should have a positive effect on the contribution that competitive products make to institutional costs. Accordingly, the planned rates for Inbound Air Parcel Post (at UPU rates) and Inbound Surface Parcel Post (at UPU rates) should satisfy the relevant statutory criteria and regulatory requirements of 39 U.S.C. § 3633(a) and 39 C.F.R. § 3015.7.

<sup>9</sup> See *id.* at 6. The Postal Service notes that this filing does not concern the rates for ECOMPRO parcels. *Id.* at 2 n.3.
